**Save The Date: October 8-11 Marks Milwaukee's Second Annual Indigenous Biz Con**

*Hosted by Indigenous Business Group, the annual gathering at Potawatomi Hotel & Casino highlights Wisconsin's Indigenous business community*

**Milwaukee, Wis. (Aug. 17, 2023)** – [Indigenous Business Group](#) announces the second annual Indigenous Biz Con, to take place October 8-11 at Potawatomi Hotel & Casino in Milwaukee, Wis. Indigenous Biz Con brings together Tribal leaders, Indigenous business owners, and non-Indigenous business operators to imagine a brighter, more economically vibrant economic future for Indigenous people and the Wisconsin business community as a whole.

The event provides an interactive platform for attendees to network, learn from one another, and collaborate to create meaningful partnerships and opportunities in the Indigenous-led business space. Created around a purpose of mutual success, prosperity, and respect, the four-day conference will feature meaningful discussion, a vendors marketplace, and more, all with Indigenous business leaders at the forefront.

The event is presented by Indigenous Business Group, which was established in 2022 to bring donors, companies, tribes, and other organizations together to promote Indigenous business and tribal economic development.

“Our goal is to build community and provide a space to create meaningful relationships and elevate Native voices,” said Indigenous Business Group Co-founder Rob Pero. “This is not a traditional, stuffy conference, but a dynamic gathering of leaders and creative thinkers in the

business space coming together to share, problem-solve, dream, and support one another in building a better tomorrow.”

If you would like to attend Indigenous Biz Con, or if you are interested in sponsorship or speaking opportunities, more information can be found online at [indigenousbusinessgroup.org](https://indigenousbusinessgroup.org) and via phone at 877-494-0515.
